Chief Area Officer

July 1, 2010

Dear Students, Parents and Staff:

I would like to thank Leonard Kenebrew for his years of service to the Roberto Clemente Community Academy. Mr. Kenebrew submitted his resignation effective June 30, 2010.

The Clemente Local School Council will begin the principal selection process at their July LSC meeting. I will be working with the LSC to provide support throughout the process. The principal selection process can often take months to complete. LSC members have received training in the principal selection process from the Chicago Public Schools, Office of Schools and Community Relations. The Chicago Public Schools has developed a rigorous process for candidates who aspire to become CPS principals. Therefore, all applicants must be on the CPS Principal Eligibility List to be considered for the principal contract.

I have appointed David Gilligan to be the acting principal of Roberto Clemente Community Academy. Mr. Gilligan will ensure the smooth operation of the summer school program and opening of the school in September. The Chicago Public Schools and Area 26 are committed to the future of Clemente and will continue to work diligently with the school community.

Regards,
